

2020 Summer Research Training Program in Biomedical Big Data Science

Icahn
School of
Medicine at
Mount
Sinai

*Center for
Bioinformatics*

Research intensive 10-week training program for undergraduate and graduate students

Program Dates: June 1 - August 7, 2020

Students selected for summer session 2020 of our **research training program in the Ma'ayan Laboratory at the Icahn School of Medicine at Mount Sinai** will conduct faculty-mentored independent research projects in the following areas:

Data Harmonization

Machine Learning

Cloud Computing

Dynamic Data Visualization

Application Deadline:

February 1, 2020 at 12 Midnight Eastern Time

Who Should Apply:

Students majoring in Computer Science, Informatics, Mathematics, Statistics, Physics, Engineering, Chemistry/Chemical Sciences or Biological Sciences and have an interest in Biomedical Big Data Science.

Program Contact:

sherry.jenkins@mssm.edu

Location:

Ma'ayan Laboratory, Icahn School of Medicine at Mount Sinai, New York City

Award:

\$8,000 salary for the 10-week training period

Eligibility:

To be considered for this program, applicants must be:

- US citizens or permanent residents
- Undergraduate or master's student in good academic standing
